Technical Specifications and Trial Directives of First Aid Kit

SN.	Technical Specifications	Trial Directives
1.	Bandages – Assorted size of adhesive bandage gauze pads and wound clause strips	BOO to physically check and verify the parameter.
2.	6Adhesive strip(2”X3”)	BOO to physically check and verify the parameter.
3.	2 Adhesive oval bandage (2”X4”)	BOO to physically check and verify the parameter.
4.	6 Butter fly Bandage(Med)	BOO to physically check and verify the parameter.
5.	3Kunckle Bandage	BOO to physically check and verify the parameter.
6.	1 Flat rolled Elastic Bandage(3”)W/Velcro Closer	BOO to physically check and verify the parameter.
7.	1Traingular Bandage	BOO to physically check and verify the parameter.
8.	1Compressed wound packing gauze	BOO to physically check and verify the parameter.
9.	1Conforming gauze roll(3”)	BOO to physically check and verify the parameter.
10.	2 Gauze pad(4”X4”, 2Pack)	BOO to physically check and verify the parameter.
11.	2Gauze pad (3”X3”,2 Pack)	BOO to physically check and verify the parameter.
12.	2 Gauze pad(2”X2”, 2Pack)	BOO to physically check and verify the parameter.
13.	1 Trauma Pad(8”X10”)	BOO to physically check and verify the parameter.
14.	1 Adhesive Tape(1”X10 Yds)	BOO to physically check and verify the parameter.
15.	1 Burnet Dressing (4”X4”) Secure lasing 3” Conforming Gauze	BOO to physically check and verify the parameter.
16.	2 Second Skin Dressing (1.5”X2”) can also be used for blisters	BOO to physically check and verify the parameter.
17.	1 Semi permeable dressing(4”X4.75”)	BOO to physically check and verify the parameter.
18.	1Moleskin Kit (6 - 2”X3”Pads)	BOO to physically check and verify the parameter.

19.	2Ivy X Poison Ivy Cleanser Pads	BOO to physically check and verify the parameter.
20.	**Antiseptics**- alcohol wipes, hydrogen peroxide and antibiotic ointment	BOO to physically check and verify the parameter.
21.	4 Triple antibiotic ointment unit dose	BOO to physically check and verify the parameter.
22.	2 Antiseptic Towelled	BOO to physically check and verify the parameter.
23.	1 Tincture of benzoin (Improves adherence for butterfly bandages)	BOO to physically check and verify the parameter.
24.	2 Hydrocortisone cream (1%) unit dose	BOO to physically check and verify the parameter.
25.	2 Sal jet saliva vial	BOO to physically check and verify the parameter.
26.	**Pain relief-** ibuprofen (NSAID) 200 mg tablets(2Pack	BOO to physically check and verify the parameter.
27.	3 Sting relief pad	BOO to physically check and verify the parameter.
28.	**Eye Care** Eye wash solution and eye drops	BOO to physically check and verify the parameter.
29.	1 SWAT-T Tourniquet	BOO to physically check and verify the parameter.
PPE		
30.	1 Pair Nitrile Gloves (Rolled)	BOO to physically check and verify the parameter.
31.	1CPR face Shield	BOO to physically check and verify the parameter.
Tools		
32.	1 Tweezer and safety pin kit	BOO to physically check and verify the parameter.
33.	1 EMT Trouma Shears(5.5”)	BOO to physically check and verify the parameter.
34.	1 Thermometer	BOO to physically check and verify the parameter.
35.	Burn Gel unit dose/Aloe vera gel	BOO to physically check and verify the parameter.
36.	2 Diphenhydramine (Antihistamine) 25mg caplet	BOO to physically check and verify the parameter.

37.	1Bug X Towelette , unit dose	BOO to physically check and verify the parameter.
38.	1Sunscrean, Unit dose	BOO to physically check and verify the parameter.
39.	1First aid manual (Guide to first aid and emergency care)	BOO to physically check and verify the parameter.
