MESSAGE FROM DIRECTOR GENERAL

During the period Jan to June 2022, NDRF has responded to many challenges in form of flood, landslides, bore well incidents and CSSR operations in various parts of the country and came out with flying colours. Due to prompt response and firm determination of our rescuers, NDRF saved about 111 precious human lives and evacuated more than 23,500 people to safer places during the period.

I want to take this opportunity to appreciate the heroic efforts of NDRF personnel in response during the Assam floods and building collapse incidents which occurred across the country as the prompt NDRF response saved precious lives.

NDRF is committed towards its avowed mission of making India disaster resilient. The Force has engaged itself in mock exercises, community awareness programs, FAMEX and school safety programs towards capacity building of various stakeholders and in this process, NDRF has sensitized more than 1.77 lacs people.

I extend my best wishes to all the Officers, Jawans and their families of this elite Force. I am confident that they will continue to work with same sense of zeal and enthusiasm to take the Force to new heights.

Jai Hind!

Atul Karwal, IPS
DG, NDRF

PROUD MOMENT

04 NDRF PERSONNEL AWARDED WITH POLICE MEDAL FOR MERITORIOUS SERVICE ON THE OCCASION OF REPUBLIC DAY-2022

Officers & personnel of National Disaster Response Force (NDRF) have been awarded with the prestigious 'Police Medal for Meritorious Service' on the occasion of Republic Day-2022.

The Police Medal for Meritorious Service is awarded to the personnel of Central police and security organization who have completed a minimum service of 18 years. The medal is awarded to personnel for their commendable work whether operational or administrative. Shri V.V.N. Prasanna Kumar, Commandant, Shri Begraj Meena, Deputy Commandant, Shri Subash Chand, Assistant Commandant (Office) and Inspector Kishan Ram have been awarded with the 'Police Medal for Meritorious Service' in recognition to their outstanding services.

So far 11 NDRF Officers/personnel have been awarded with President's Police Medal for Distinguished Service and 84 personnel with Police Medal for Meritorious Service.

TREE PLANTATION

To promote environmental awareness, various tree plantation programs were organized at different NDRF units with great zeal & enthusiasm.

Plantation of Saplings by NDRF personnel on the Occasion of World Environment Day at Its HQ Bihta, Patna

Plantation of Saplings by NDRF personnel on the Occasion of world Environment Day at RRC Supaul (Bihar)

NDRF CELEBRATED INTERNATIONAL YOGA DAY

Since 2014, International Yoga Day is being celebrated every year to signify the importance of Yoga in our day to day life. NDRF rescuers who directly experience or witness life threatening danger, exposure to gruesome death and seeing the victims who lost their home during or after disaster are at greatest risk for severe stress. In that condition, a few minutes of yoga during the day can be a great way to get rid of stress that accumulates daily in both the body and mind.

On 21st June 2022, in line with PM's vision, National Disaster Response Force (NDRF), celebrated 8th International Day of Yoga in Delhi as well as at all NDRF Bns HQ and deployed locations

NDRF ORGANISES 'ANNUAL CONFERENCE ON CAPACITY BUILDING FOR DISASTER RESPONSE - 2022'

National Disaster Response Force (NDRF) organizes a two days "Annual Conference on Capacity Building for disaster response 2022"on 7th & 8th April 2022 at Vigyan Bhawan, New Delhi. The conference was attended by DsG/ADsG of all State/UTs of the SDRFs, Home Guards, Civil Defence & Fire Services.

Hon'ble Union Home Affairs Minister and Cooperation Minister of Government of India graced the occasion as chief guest and inaugurated the conference. Dr. P.K. Mishra, Principal Secretary to the Prime Minister of India was the chief guest at the valedictory session on 8th April 2022. NDRF has been organizing this conference for capacity building of stakeholders since year 2013.
The conference provided a common platform to all participating agencies for enhancing our planning & preparation for monsoon seasons. Moreover, the conference also gave an opportunity for the stakeholders to share their best practices and work on their operational gaps to improve the response capabilities through mutual cooperation in case of any disaster.

During the conference various agenda points like Role of major stakeholders in different emergencies, Strengthening of manpower and infrastructure of SDRFs, Road Map for strengthening and capacity building of SDRFs, Civil Defence, Home Guards & Fire Services, issues related to the Disaster Management Training, good practices adopted and way forward was discussed

BUILDING COLLAPSE AT KURLA, MUMBAI (MAHARASHTRA)

On 28th June 2022 at around 0010 hrs, a G+3 story building collapsed in Ganesh Nagar near Kurla East Depo, Mumbai (Maharashtra). On intimation, 01 CSSR NDRF team was immediately mobilized from Mumbai base, Maharashtra for prompt response. After initial assessment, one more team mobilised from RRC Mumbai to augment the operation. NDRF teams joined the rescue operations with Fire Brigade & BMC. As the victims were trapped inside the debris, due care and diligence were taken by the response agencies. NDRF responders used high-tech equipment & Canine to locate the trapped victims. During the operations, NDRF teams rescued 03 persons alive and retrieved 17 dead bodies.

BUILDING COLLAPSE AT GURUGRAM (HARAYANA)

On 10th February 2022, a multi-story (18 Floor) building collapsed in the Chintels Paradiso Housing Society tower, sector-109, Gurugram, Haryana, which left several people trapped underneath. On getting information about the incident, NDRF immediately mobilized its 03 CSSR teams from its nearest base at Ghaziabad (UP) for prompt response. Before arrival of NDRF team, 01 person was rescued alive by local administration. Team conducted joint search & rescue ops with SDRF and local administration. NDRF rescued 01 person alive and retrieved 02 dead bodies.

BOREWELL INCIDENT AT VILL- PIHRID, DISTT- JANGIR CHAMPA (CHHATTISGARH)

On 10th June 2022, a 10 years old boy fell down into a Bore-well and stuck at the depth of 70-80 feet at Vill- Pihrid, Distt- Jangir Champa, Chhattisgarh. On intimation, Team mobilised to incident site and started borewell rescue ops with SDRF, Indian Army, Fire Service and local police. Parallel digging was done up to 60 feet with the help of JCBs and later Horizontal digging was done to get access to the victim. NDRF Team successfully rescued 01 live victim (Rahul) and shifted to hospital for further medical care. The specialised and prompt response of NDRF saved a precious life.

ASSAM FLOODS : NDRF LAUNCHED RESCUE & EVACUATION OPERATIONS, OVER 22,000 PEOPLE EVACUATED

Heavy rainfall and increase in water level of Rivers Kopili, Brahmaputra, Burhidihing & Disang created fllod and landslide in the state of Assam in month of April 2022. During the month, the Southwest Monsoon covered most parts of Northeast India. In view of the heavy rainfall, the services of NDRF was called to assist the administration in rescue and evacuation work. As per the requisition of State Government of Assam, 27 teams of NDRF were deployed at Guwahati, Cachar, Barpeta, Darrang, Tamulpur, Kamrup Rural, Jorhat, Bongaigaon & Silchar districts. The prompt action of NDRF rescuers brought normalcy in the affected areas of the State. During the operations, teams rescued 09 victims, evacuated 22,410 trapped people and 32 livestock. NDRF medical team also provided PHT to 17 victims.

NDRF TEAM DEPLOYED AT SAHIBGANJ (JHARKHAND) DURING RAJKIYA MAGHI PURNIMA MELA - 2022

One NDRF team was deployed at Rajmahal Ganga river ghat under distt- Sahibganj (Jharkhand) on the occasion of Rajkiya Maghi Purnima Mela - 2022. During this occasion, lakhs of devotees took holy bath in the river Ganga. NDRF rescuers performed their duties since early morning to late night on the bank of river Ganga through continuous boat patrolling. NDRF Medical team provided medical care to the needy people.

MALFUNCTION IN ROPEWAY AT TRIKUT HILLS, DEOGHAR (JHARKHAND)

On 10.04.2022, a malfunction in Ropeway takes place at Trikut Hills, Deoghar due to which some tourists fell down from the rope way and got injured. 22 trollies stranded on ropeway wherein tourist got stuck in 10 trollies. Person's stucked in 10 trollies near start and end point were evacuated. On intimation, 02 NDRF teams of 09 Bn NDRF mobilized to incident site and joined the on-going ops. NDRF rescued 57 persons and retrieved 03 dead bodies. Seeing the peculiarity of the incident services of Indian Airforce were sought by the state administration. Hon'ble Prime Minister applauded the joint operation and interacted online with all rescue team.

LANDSLIDE INCIDENT AT NONEY, MANIPUR

A massive landslide hit Noney district in western Manipur's on 30th June 2022 at Tupul yard railway construction camp. Most of the people buried underneath were personnel of India Army.

On receiving the information about the incident, 01 NDRF team from Imphal base immediately rush to the spot and joined the joint rescue operation by Army, State Police, SDRF & District administration. Seeing the gravity of the incident, 02 More NDRF teams from Kohima and Silchar also joined the rescue operation. Rescue agencies including 03 NDRF teams conducted operation in adverse conditions and rescued 18 people & retrieved 56 dead bodies from the incident site.

RESCUE OF A TREKKER STRANDED ON CLIFF AT PALLAKAD (KERALA)

On 08th February 2022, a person fell down from a hill and trapped in ditch of a cliff at the depth of around 300 feet down. 01 NDRF team from RRC Thrissur reached the incident site and conducted joint rescue Ops with Army. Rescue team using its skill managed to pull the victim back on top of hill with the help of ropes. Further, victim was Heli-lift by Air Force chopper to Kozhikode Air Base and shifted to District Hospital Palakkad.

TRAIN DERAILMENT AT DO-MUHANI, MAYNAGURI, ALIPURDUAR (WEST BENGAL)

On 13.01.2022 at about 1700 hrs, Train No. 15633, Bikaner-Guwahati Express de-railed between New Maynaguri and New Domohani Railway station under NF Railway, Alipurduar division, district Jalpaiguri (WB) derailed near Domohani Railway station. During the accident 12 coaches were derailed and four of the compartments were mangled.

02 NDRF teams reached incident site along with essential equipment & all cutting/supporting accessories, Oxy fuel cutters, RR Saw etc and join the rescue operation. Teams managed to enter the mangled coaches No. S-6 & S--10 by making passage. Rescue and evacuation operation was carried out by multiple rescue agencies i.e RPF, BSF, Local police, Civil Defence, Railway department and NGOs. During the entire operation, area was cordoned by RPF and local police. Traffic police & NGOs were controlling the mob. NDRF teams have played vital role and carried out successful rescue & extrication operation and brought laurels to the elite organisation by successfully extricating 04 dead bodies and 01 live victim from the various coaches. A total of 73 victims shifted to hospital for further treatment and 09 dead bodies retrieved from the incident site by all agencies

DG's VISIT

Shri Atul Karwal, DG NDRF visited 2nd, 3rd, 4th, 6th & 12th NDRF Bns during the period and interacted with the rescuers. He gave his valuable input to the rescuers and motivated them about the physical fitness. Various demos on rescue techniques were organised by respective batttalions during the visit.

MOCK DRILLS

FLOOD RESCUE :-

Mock Exercises on flood rescue and flood preparedness were organized by NDRF at different places of Uttar Pradesh, Karnataka, Odisha, Tamil Nadu, Andhra Pradesh, Gujarat, Assam, Telengana, Kerala, Meghalaya, Chhattisgarh, Rajasthan, Karnataka, West Bengal, Tripura and Punjab with active participation of NDRF, Police, Medical team, District officials and local people. NDRF CONDUCTED MOCK EXERCISES AT HISTORICAL PLACES UNDER 'AZADI KA AMRIT MAHOTSAV' CAMPAIGN

To Commemorate 75th India's Independence as celebrating "AZADI KA AMRIT MAHOTSAV" NDRF conducted 75 mock exercises at various historical places of the country. The aim of conducting these mock exercises is to enhance coordination between all central and state response agencies to protect our historical heritage during any natural or man-made disaster. Conducting mock exercise also serves the purpose to augment the capacity of the responding stakeholders and identify the gaps/lacunas in response time, resources, man power and communication during disaster. It also increases the level of preparedness plan and mitigates the loss of life and property during disasters. Emergency evacuation drill was rehearsed in coordination with all stakeholders so that it can be implemented at the time of real disaster. The mock exercises ensure multi-agency coordination and showcases capabilities of all organizations.

All mock exercises were meticulously planned and well co-ordinated with active participation of all stakeholders. It benefited in following ways:-

a) The mock exercise enhances the professional capabilities, skills/knowledge of the NDRF personnel.
(b) The exercise helped us to know our limitations and what may be changed in the future to enhance the capacity.
(c) The exercise helped us to know about how to co-ordinate with different agencies operating at the site.
(d) It will also help to make contingency plan.
(e) It helps us for future, how to respond quick and effective rescue operation during disaster

NDRF CONDUCTED ANNUAL CONFERENCE ON TRAINING AND OPERATION AT 2nd Bn NDRF HQ AT KOLKATA

A 02 days Annual Conference on Training and Operation was conducted by NDRF at 2nd Bn NDRF Kolkata (West Bengal). The main objective of this conference is to plane and lay out a route map for effective and advance training of the NDRF personnel as well as how we can improve community awareness program which conduct for common men and students all over the country. Besides, introspection of the NDRF operation was also done by the think tank of the force under the chairmanship of DG NDRF.

During the conference IG NDRF, all DIsG, unit commandants and other officer were also present and share their valuable input for taking NDRF forward. Every year NDRF conducts such annual conference at different NDRF battalions for filling the gaps and with sole motto of taking the force to highest level.

During the conference it was discussed that the training is an essential part any organization for its growth and talked about necessity of vulnerability mapping of the states which ultimately helps the force in equipped with more relevant equipment and better training.

DG NDRF shared important tips for enhancing physical fitness of NDRF rescuers and inaugurated shopping complex and other facilities at the newly constructed NDRF campus. To make NDRF campuses ecofriendly, presentation on how to make plastic free and green campus was made by environmental experts Ms. Ekta Gupta, consultant SDMC and Ms. Mahima Surya.

At annual meet of Disaster Response Force, pat on the back from Amit Shah & roadmap for future

Union Home Minister Amit Shah and NDRF Director General Atul Karwal on the first day of the force's Annual Conference on Capacity Building for Disaster Response, at Delhi's Vigyan Bhawan | Praveen Jain | ThePrint

New Delhi: Union Home Minister Amit Shah said Thursday that India has increased its stature in disaster management, adding that its capacity is ahead of some countries.

He was speaking at Delhi's Vigyan Bhawan on the first day of the National Disaster Response Force's (NDRF's) two-day 'Annual Conference on Capacity Building for Disaster Response'.

Several top officers were present at the event, including Border Security Force (BSF) Director General (DG) Pankaj Kumar Singh, Fire Services DG Taj Hassan, and National Security Guard (NSG) DG M.A. Ganapathy, among others.

17,500 People Rescued in Flood-affected Assam: NDRF

About 17,500 people have been rescued till now from the flood-affected areas of Assam, the NDRF said Thursday. Of these, 900 were rescued on Thursday, a spokesperson of the National Disaster Response Force stated in an update issued at 5 pm.

The official said a total of 26 NDRF teams are operating in 14 flood-affected districts of the state and they are working in coordination with state authorities. NDRF teams started rescue and relief operation from June 16 in Assam and so far nine precious lives have been rescued while about 17,500 persons have been taken out from the far flung maroon areas alongwith 32 livestock, the spokesperson said.

The federal force is also helping local administration in distribution of relief material, he said. The flood situation in Assam remained grim on Thursday with over 54.5 lakh people still affected and 12 fresh deaths reported, officials said. The toll due to the flood since mid-May is now 101, they said.

Brahmaputra and Barak rivers along with its tributaries are in spate in most of the affected districts and vast tracts of land remained inundated in 32 of the total 36 districts in the state. The flood waters, however, receded in a few places.
